### **Theatre of a different kind for surgeon**

A former Harrogate respiratory physician is swapping his usual theatre for one of a different kind when he treads the boards in the town to raise money for Wellspring Therapy and Training. Richard Milton, above, who now performs life changing surgery for lung cancer patients at Spire Leeds and joined Trust Us Theatre Company while working at Harrogate District Hospital, will perform in *The Wingman* at St Robert's Centre, Harrogate on November 25. Tickets, £8, via [www.justaddtickets.co.uk](http://www.justaddtickets.co.uk) or on the door.
