## Beauty Room in the Springfield Suite to offer complimentary treatments for 'Forget Me Not Childrens Hospice' families

**forget me not  
children's hospice**

Spire Elland is delighted to announce that we will be working in conjunction with Forget Me Not Children's Hospice, offering complimentary holistic treatments for the families of bereaved children or children in palliative care.

By offering these holistic treatments in our beauty room, it offers a chance for families who don't feel they can go back to the hospice due to the difficult circumstances they have had to deal with, the opportunity to benefit from these treatments.

It is something we feel very proud to be involved with and a way of giving something back to our local community.

## Complimentary appointments for knee pain with Mr Jon Smith

**Date:** Tuesday 7 May from 6pm

**Hosted by:** Mr Jon Smith - [View profile](#)

**Venue:** Spire Dewsbury Clinic

This informal appointment is an opportunity for you to ask any questions you may have about knee pain, the routes to diagnosis and the various treatment solutions available. Appointments are for up to 15 minutes.

## Did you know you can now book online to see a consultant?

Spire Elland Hospital are pleased to announce that patients paying for themselves can view and book appointments online directly with some of our consultants.

You do not require a GP referral letter to book these appointments, and you can now book for yourself or for someone else, providing they are over the age of 18.

Please note, not all consultants and specialities are available on our online booking service.

## Marie Curie Charity Fundraising

Over the course of two days in April, we welcomed a fundraiser from Marie Curie, who was on site distributing information to our patients and visitors about the wide range of free services they have to offer, in the hope to inspire and recruit new supporters to the charity.
