## Notes to pricing schedule

### Introduction

The prices in this schedule are Spire Healthcare's 'Standard Rates'. If you are paying for your private care, please contact your local hospital for a quotation.

### Fixed rate packages

1. Fixed rate packages include all hospital charges from admission to discharge unless otherwise indicated to a maximum length of stay of 10 days
2. Fixed rate packages exclude surgeons fees, anaesthetist fees, consultation fees, Out-patient drugs and Physiotherapy consumables
3. The 'Extended Length of Stay' charge will apply per day, for each day exceeding that covered by the package rate
4. In exceptional circumstances, the hospital may charge for additional services/items

### Itemised charges (non-packaged) basis

Unless a fixed rate package applies in substitution, detailed invoices will be raised under the service headings below. The total amount payable will be the aggregate of all charges from admission to discharge. Charges will be made under the following headings:

- Accommodation charges
- Theatre fees and theatre packs
- Multiple/Subsequent Procedures and complications
- Re-admissions
- High cost items (Prosthesis, Drugs, Consumables, Equipment Hire)
- Scanning (MRI, CT and PET scans)
- Physiotherapy
- Ancillary charges such as Pathology, Radiology and other diagnostics
