GP Liaison

We have a GP liaison team who are your dedicated point of contact for general enquiries, referrals and the provision of education such as lunchtime speaker meetings and CPD education seminars.

For further information, referrals or to request a practice visit, please contact our GP Hotline on **0161 447 6767** or **info@spiremanchester.com**

GP Connect

We also have a secure, easy to use online referral system. The system can be accessed by GPs, practice staff and allied health professionals to quickly and simply refer patients.

www.spirehealthcare.com/gpconnect

GP referrals for diagnostic tests

We accept direct GP referrals for the following diagnostic tests:

- Cardiac: ECG, echo, ambulatory monitoring, CT coronary calcium scoring for heart disease
- X-ray: chest, suspected fracture
- Ultrasound: musculoskeletal, abdomen, gynaecology, urology
- CT: sinus, brain.

For more information or to refer, contact **manchesterradiology@spirehealthcare.com**

Conference and medical education centre

The top floor of the new Spire Manchester Hospital is a conference and medical education centre. Our flexible meeting space offers:

- 7 meeting rooms
- Large breakout area
- Capacity to host 150 delegates
- Catering facilities
- 84" touchscreens
- Montage wireless presentation system
- First in UK 4K livestreaming technology to video and audio link from the operating theatre to the conference centre

We host regular CPD events for GPs and allied health professionals. An up-to-date events calendar can be found on our website.

www.spiremanchester.com

Spire Manchester Hospital is located next to the Siemens campus, in Didsbury.

Road: The hospital is located a short distance from the city centre and is easily accessible from the ring road and motorway network.

Rail: Manchester's central rail stations are a short drive from Spire Manchester Hospital and offer a

regular timetable of direct, local and intercity services. There is a taxi rank service located directly outside the stations.

Metrolink: Withington metrolink is a short walk from the hospital.

Air: Spire Manchester Hospital is well served by Manchester Airport, which has regular and direct connectivity to the UK, Europe and rest of the world.
