*Looking after you.*

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results. For us it's more than just treating patients, it's about looking after people.

**To see a consultant at Spire Yale Hospital:**

Call: 0808 168 2882

Fax: 0800 5877 497

Online: [www.spirehealthcare.com/gpconnect](http://www.spirehealthcare.com/gpconnect)

Email: [spire.yale@nhs.net](mailto:spire.yale@nhs.net)

A referral letter is usually required before your patient can be seen by a consultant. Self-funding patients may be able to self-refer depending on the consultant and for some minor treatments and physiotherapy. Please contact us for further details.

**Insured patients**

Scheme/policy details are required at the time of booking so that we can obtain pre-authorisation for their treatment.

**Self-funding patients**

We provide a tailored fixed price\* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For information call **01978 262 462**.

**NHS patients**

Spire Yale Hospital is accredited to provide elective surgical services to NHS patients across a range of specialties. Our aim is to make the referral process as quick and easy as possible. You can use the NHS e-Referral system <https://www.ebs.ncrs.nhs.uk> to refer your patients to us or alternatively, you can refer by letter or fax (please state that the referral is NHS and provide recent relevant medical history).

**Emergency admissions**

Call **01978 268 033** and ask for the nurse in charge. We'll aim to call you back within 20 minutes to update you on the progress of the admission. The hospital does not have an accident and emergency facility.

Full profiles for each consultant can be found at [www.spireyale.com](http://www.spireyale.com)

\*Please see a copy of Spire Healthcare's patient terms and conditions for full detail. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.
