

Thinking about having cosmetic surgery, but would like to find out more before booking a formal consultation?

If so, we are offering free 10 minute consultations* with any one of our accredited cosmetic surgeons.

You will have the opportunity to have an information chat with the consultant of your choice and find out more about the treatment you are interested in. Being well informed will maximise your chances of being satisfied with your treatment.

Key benefits:

- ✓ One to one, informal chat
- ✓ Meet the consultant who will perform your surgery
- ✓ No obligation to go ahead
- ✓ Available throughout the year

*Please note, if you wish to proceed to surgery a full out-patient appointment is required.

Treatments to help boost your confidence

Looking after you.

Treatments to help boost your confidence

Increasing numbers of men and women are choosing cosmetic surgery to help achieve the look they want. We know having cosmetic surgery is a big decision and there's a lot you'll want to consider.

At Spire Elland Hospital, we are here to give you all the information you need to make the choice that's right for you. We recognise that everyone is different, which is why you will receive personalised treatment throughout your journey. With Spire Cosmetic Surgery you can choose the surgeon you want and they will be with you every step of the way.

Services

Cosmetic treatments, chosen by thousands of people every year range from surgical procedures such as nose reshaping and breast enlargement, to non-surgical procedures such as laser resurfacing. We have procedures that can help combat the signs of ageing along with others that can help address areas of your body that you may feel self-conscious about.

Please note, this is not an exhaustive list of the cosmetic treatments and procedures that we offer.

Choosing a cosmetic surgeon

With Spire Cosmetic Surgery you can choose the surgeon that you want who will be with you every step of the way, from giving advice at your first consultation, through to offering ongoing support after your surgery.

As there are various cosmetic surgeons to choose from, you will need to give yourself time to research their qualifications, reputation and experience, this information can all be found on our website. Our Self Pay Advisors are here to offer you help and guidance with this important decision.

Paying for your treatment

Consultation cost

When you book your initial appointment, you will be fully informed of the cost implications, as a guide, you should expect to pay around £100.00 for the consultation.

Fixed price packages

Following your consultation, we will provide you with a fixed price for your cosmetic surgery. This will be agreed with you in advance, so you have the reassurance of knowing the full costs before you come into hospital. Your fixed price will include hospital charges, consultant surgeon and anaesthetist fees and a follow-up consultation. Terms and Conditions apply – please visit www.spirecosmeticsurgery.com to read our patient terms and conditions.

Finance options

To make your treatment more affordable, you may be eligible for a medical loan. Zebra Health Finance offers approved customers interest free finance (0% APR representative). They are an external company and work alongside all of our Spire hospitals. Call Zebra Health Finance on 01332 680 400 for further information or to see if you are eligible for a medical loan.
