How to access our services

Accessing our services is quick and easy. Whether you are paying for yourself or using private medical insurance, we provide expert care for everyone. Our advisors are here to help you find the best consultant for you and answer any questions you might have.

Paying for your own treatment

You can choose to pay for your own treatment at Spire Elland Hospital for most types of operations, procedures and tests. When you book your initial consultation we will let you know the consultation fee for the consultant that you are seeing.

Following your consultation, we will provide you with a fixed price for any treatment you may require. This will be agreed with you in advance, so you have the reassurance of knowing the full costs before you come into hospital. Your fixed price will include hospital charges, consultant surgeon and anaesthetist fees and a follow-up consultation. Terms and Conditions apply – please visit www.spirelland.com to read our patient terms and conditions.
