

Spire

St Anthony's Hospital

NHS e-Referral services at Spire St Anthony's Hospital

Spire St Anthony's Hospital is committed to delivering excellent individual care to our patients and we are pleased to inform you that we are now providing selected NHS Services.

We have e-Referral service clinics set up for:

Orthopaedics

- Anterior Cruciate Ligament (ACL) Clinic
- Knee Clinic
- Hip Clinic
- Spinal Clinic

General Surgery

- Gall Bladder Clinic
- Hernia Clinic

Exclusions

- Patient BMI over 40
- Any patient under 18 years of age
- Any patient who requires treatment for suspected cancer
- Patient with unstable mental condition and is receiving psychiatric treatment
- Unstable ASA Grade 3 or greater with some co-morbidities

Information required from referring GP

In order to prevent cancellations and rejections we will need the following information at point of referral to manage co-morbidities:

- Hypertension - BP readings and whether or not it is stable
- Diabetes - summary treatment and whether or not it is stable
- Renal failure
- Allergies
- Alcohol and recreational drug use
- Cancer history - treatment and consultant oncologist details
- Any current investigations patient is undergoing for any other conditions
- CVA/TIA's- summary of cardiac history and whether or not it is stable

How to refer:

Online via the NHS e-Referral service
www.hscic.gov.uk/referrals/referrers

Email the NHS team
spire.stanhs@nhs.net
