Spire Healthcare Patient Terms and Conditions

Version 5.0 with effect from 6 November 2017

Please read these **Terms** carefully. They set out the basis upon which you will be provided with treatment at a **Hospital**.

Spire may update these **Terms** from time to time, however changes to these **Terms** will only apply to any new episode of **Care** or **Treatment Package** that you receive and you will be asked to agree to any new **Terms** before they become effective for you. Note that any new **Terms** will not apply to a **Treatment Package** which is part-way through when the **Terms** are changed.

Note that words in **bold** have specific meanings, which are set out in the Definitions section of these **Terms**.

Please ensure you read the Terms in relation to our charges carefully.

If you want to check how much something costs, please ask. You can always check **Spire Standard Rates** at <https://www.spirehealthcare.com/standard-rates> or by phoning your local **Hospital**. You can also ask for a copy of the **Spire Standard Rates** when you are at any **Hospital**. Please ask us if there is something that you would like explained further before you sign the **Registration Form**.

Please pay particular attention to the sections in these **Terms** about **Consultants**. **Consultants** involved in your **Care** are independent practitioners and are not employees of **Spire**. The **Contract** between you and **Spire** for your **Care** is different from, and separate, to the contract that you have with your **Consultant** (which may or may not be written). If you are unsure about how your **Contract** works, please ask.

Part A – Insured Patients
This section will apply if
you are covered
by private medical insurance

1. You agree to pay for your **Care**.
2. Whilst you will remain responsible for the payment of your **Care**, where you have private medical insurance:
 - a. we will, where possible, process the insurance claim for your **Care** with your insurer, provided you have given us and your insurer all the information we and your insurer need to do so. If this information is incomplete or inaccurate, we may not be able to process your claim and you will need to pay for your **Care**, as set out in (c) below;
 - b. where we process your insurance claim and your insurer pays us direct, the rate agreed between **Spire** and your insurer (rather than the **Spire Standard Rates**) will apply to your **Care**;
 - c. if your insurer fails to settle our invoices (or any part of them) within 30 days of the date of issue we will assume that the outstanding amount will not be paid by your insurer and we may invoice you direct or debit the relevant balance from your credit or debit cards in accordance with the process set out in paragraph 24 below (as relevant);
 - d. and
 - d. if we invoice you for your **Care** or an element of it you agree to pay us the amount invoiced within the time limits set out therein. If you do not think that we have invoiced you correctly, please let us know as soon as possible so we can deal with any mistake or misunderstanding.
3. It is your responsibility to confirm with your insurer in advance that your **Care** is covered by your insurance policy and Spire will not obtain any such confirmation on your behalf. While you are in **Hospital**, if you want to check with your insurer whether any aspect of your **Care** is covered by your insurance policy, we will give you access to a telephone so you can contact your insurer.
4. Please note that some insurers use **Care** guidelines that may

not match the professional medical opinion of the **Consultants**, nursing staff and other medical professionals providing your **Care**. In some cases this can mean that your insurer may not pay for certain parts of the **Care** you receive, and you will be required to pay for that part of your **Care**. In particular you should note that treatment for complications may in some cases not be covered by insurance and in such cases you agree to cover the cost of your **Care** as set out in paragraph 2(c) above.

5. Please note that your insurance policy may not cover the cost of **Sundry Items** or other items such as specialist equipment, like crutches or wrist braces, or it may only cover part of such costs. You will be required to pay for any such items not reimbursed by your insurers.
6. If you pay for your treatment and subsequently seek reimbursement from your insurer, and if no other rate has been expressly agreed between you and **Spire**, the **Spire Standard Rates** will apply to your **Care**.

7. If no rate has been agreed between **Spire** and your insurer in respect of your **Care**, the **Spire Standard Rates** will apply to your **Care**.

Part B – Self-Pay: Fixed Price This section will apply if you are paying for your own Care and your Treatment Letter states that we have offered you a Fixed Price

8. You have been sent a **Treatment Letter** that will confirm your **Treatment Package** and **Fixed Price** and how you pay (including whether your **Consultant** will collect his portion of the **Fixed Price** from you directly). Please ensure you read this letter carefully. As set out in Part F (Other Terms and Conditions: All Patients), your **Treatment Letter** is part of your **Contract** with **Spire**.

What is included in the Fixed Price?

9. Your **Treatment Letter** will confirm the **Fixed Price** for your **Care** that you are to receive under your **Treatment Package**. Unless your **Treatment Letter** says otherwise, your **Fixed Price** in relation to your **Treatment Package** includes:

- a. all **Consultants'** fees while you are in **Hospital**;
- b. your accommodation in the **Hospital** including your meals for as long as you are required (on the advice of your **Consultant**) to stay;

- l. any basic home aids, such as wrist braces, crutches, sticks and reachers that you require;
- m. one clinically necessary follow-up appointment with your **Consultant**;
- n. all clinically necessary post- discharge radiology and pathology; and
- o. treatment for any clinical complications, subject to paragraph 16 below.

What is not included in the Fixed Price?

10. The following items are not included in your **Fixed Price**. If you have not paid for these already, you will be asked to pay for these separately at the **Spire Standard Rates** (unless otherwise stated in

your **Treatment Letter**). The items not included in your **Fixed Price** are:

- a. your initial consultation and any tests carried out at the time of that consultation;
- b. **Care** not listed in paragraph 9 above or **Care** listed in your **Treatment Letter** as being excluded from your **Treatment Package**;
- c. chemotherapy drugs or IVF drugs not listed in your **Treatment Letter** as being included in the **Fixed Price**;
- d. **Sundry Items**;
- e. **Care** that you receive anywhere other than at the **Hospital** where you have booked your **Treatment Package**;
- f. **Care** you receive that is not related to your **Treatment Package**, including treatment of complications and any condition associated with, or arising as a result of, pregnancies resulting from IVF treatment; and
- g. Large home aids, such as commodes or stair

lifts.

What happens if I decide not to go ahead?

11. If you decide not to go ahead with your **Treatment Package**, you will need to pay for the **Care** that you have received up until the point of cancellation. This will be charged at **Spire Standard Rates**, but you will not have to pay more than the **Fixed Price** in relation to items which are included in the **Fixed Price**. We reserve the right to charge a cancellation fee in accordance with paragraph 25 below if you cancel your treatment within 7 days of a scheduled appointment or admission date.
12. If you have already paid for your **Treatment Package**, we will refund your payment, less any amount that you owe to the **Hospital** and/or the **Consultant** (as relevant, see Paragraph 22 below). Please note that we will pay any refund (by cheque or electronic transfer) only to the cardholder or person who made the original payment. We do not pay cash refunds.

13. Note that if your **Consultant** cancels your **Treatment Package** because they consider it is not in your best interests for medical reasons, and you have already paid for your **Treatment Package**, we will refund your payment. Note that you will not be required to pay for any **Care** included in your **Treatment Package** that you have received up until the point of such cancellation.

What happens if my stay is shorter than expected?

14. If your stay in **Hospital** is shorter than anticipated, you will not be entitled to receive a refund of any portion of your **Fixed Price**.

What happens if I suffer complications?

(Note time limits applying to cosmetic Treatment Packages)

15. While the **Hospital** and your **Consultants** will do their best to ensure a satisfactory outcome, no clinical procedure is entirely risk-free and the results of any particular treatment cannot be guaranteed with complete

certainty.

You can find treatment summaries containing information on a range of treatments, including common complications, on the **Spire** website at www.spirehealthcare.com/our-treatments.

16. Your **Fixed Price** includes the cost of treating, at a **Hospital**, any clinical complications identified by your **Consultant** as arising directly out of the treatment you received as part of your **Treatment Package**, provided that you have followed the advice of your **Consultants** and any other medical professionals involved in your **Care** (and that for all cosmetic **Treatment Packages**, the date any clinical complication is identified by your **Consultant** must be within 12 months of your original treatment date).

What happens if I'm unhappy with the outcome of my cosmetic Treatment Package?

17. If your **Consultant** agrees that the aesthetic outcome of your cosmetic treatment was not in line with the expected outcome that was discussed

and documented with your Consultant, before your treatment, then your Fixed Fee will include the cost of one episode of aesthetic revision treatment so long as you notify the Hospital, in writing, within 12 months of your original treatment date. If you are unhappy with the outcome of any episode of aesthetic revision treatment then any further treatment will be not be included in your Fixed Price.

18. Treatment for clinical complications and aesthetic revisions includes any consultations, out-patient, day-care and in-patient treatment which your **Consultant** says you need and which the **Hospital** is able to provide. If we are unable to re-admit you to the same **Hospital** we will make the most appropriate alternative arrangements at another **Spire Group Hospital** at no additional cost to you. Where we are unable to treat your clinical complications you agree that appropriate follow-up care may be provided by your GP or the

NHS. **Spire** shall not provide replacement prosthesis required for reasons of normal wear and tear or any non-medical, at home, domiciliary or other long-term care that may be required.

What happens if I decide to stay in Hospital longer?

19. If, with the agreement of the **Hospital**, you decide to stay in **Hospital** beyond the date your **Consultant** considers it is appropriate for you to be discharged, or if you require further **Care** that is not covered by your **Treatment Package**, you will be charged at **Spire Standard Rates**.

Part C – Self-Pay: Other

This section will apply if you are paying for your own Care other than as part of a Treatment Package

20. If your **Care** is not paid for by an insurer (individual, employer or medico-legal company) directly, is not covered by a **Fixed Price Treatment Package** or is to be paid by you in accordance with these **Terms**, you will be charged at **Spire Standard Rates** and your **Treatment Letter** (if relevant and in so

far as possible) will confirm this. As noted in paragraph 22 below, unless otherwise indicated, your **Consultant** will invoice you separately for the treatment he or she provides. Note that this includes treatment for clinical or other complications, which, if needed, will also be charged to you at **Spire Standard Rates**.

21. The **Hospital** will give you an estimate of costs for your **Care**. Please note that it is not always possible to give an exact estimate for the **Care** you receive at the **Hospital** and the total cost may depend on a number of factors, including any other conditions you may have. The **Hospital** will always try to provide an accurate estimate and if the cost of your **Care** is likely to exceed this estimate the **Hospital** will try to notify you as soon as possible. You are responsible for the payment of all **Care** you receive at the **Hospital**, including any **Sundry Items**.
22. If you are an out-patient, you will need to pay for your **Care** prior to or on the day you attend the **Hospital**. If you are

admitted to **Hospital**, you will need to pay a deposit (which may be the amount of the estimated costs of our **Care**) 7 days before you are admitted and settle your account on or within 7 days following discharge. You may also be asked to pay for your treatment in stages during your **Care**, if the amount of your deposit is used before you are discharged. Your **Treatment Letter** will set out what deposit is required in relation to your **Care**. If you have not paid before you leave the **Hospital**, you agree that we can debit the outstanding balance from your credit/debit card upon at least 7 days of notice to you, in accordance with paragraph 24 below. If your **Consultants'** fees are not included in your invoice, you will need to settle these directly with your **Consultant**.

Part D – NHS Patients

This section will apply to you if you are an NHS Patient and Spire is treating you on behalf of the NHS

23. If you are an NHS patient, the costs of your **Care** and all **Consultant** fees are paid by the NHS. However, the NHS does not pay for **Sundry Items**. We will ask you for your credit or debit card details when you come into the **Hospital** and you understand that we will keep these details until all **Sundry Items** have been paid in full. If you have not paid before you leave the **Hospital**, you agree that we can debit the outstanding balance from your card upon 7 days of notice to you, in accordance with paragraph 24 below.

Part E – Other Terms and Conditions: Private Patients

This section applies to all Private Patients

24. Consultants (your attention is particularly drawn to this paragraph):

- a. While at the **Hospital**, you will be under the **Care** of the **Consultant** you have been referred to, who may also involve other **Consultants** in your **Care**, if appropriate. **Spire staff**, including nurses, will provide your **Care**

under your **Consultant's** instructions.

- b. **Consultants** involved in your **Care** are independent practitioners and are not employees of **Spire**. Accordingly, **Spire** will not be liable for any act or omission of a **Consultant** (or the company or partnership that employs or engages the **Consultants**). The **Consultant** will be responsible for the **Care** he/she gives you.
- c. Any **Consultant's** fees relating to your **Care** will be charged to you by your **Consultant**. Such fees will normally be invoiced and collected by your **Consultant** directly. Alternatively, for **Treatment Packages**, **Spire** may expressly agree to act as collection agent on behalf of the **Consultant**. This means that if we issue invoices on the **Consultant's** behalf and/or collect then pass on the fees due to the **Consultant**, this is merely for the administrative convenience of all parties. Your **Treatment Letter** will make this clear but if you are unsure please ask your **Hospital**.

25. **Cancellations:** We reserve the right to charge a cancellation fee if you cancel any appointment with **Spire** within 7 days of your scheduled appointment or admission date. A cancellation fee may be based on any **Care** that you have received up to the point of cancellation and/ or any other reasonable costs that the **Hospital** has incurred. Your **Treatment Letter** may also set out any specific cancellation fee that applies to your **Treatment Package** or **Care**.
26. **Credit/Debit Card:** You are responsible for settling the cost of your **Care** before you are admitted or shortly after leaving the **Hospital**. We will ask you for your credit or debit card details when you come into the **Hospital** or when you make your appointment. You understand that we will keep these details for up to six months after the last date of your **Care** or other appointment with your

Consultant. If you have not paid before you leave the **Hospital**, you agree that we can debit the outstanding balance and any cancellation fees from your card upon at least 7 days of notice to you.

Part F – Overseas Patients

This section applies to all Patients who are not ordinarily resident in the UK

27. If you are not ordinarily resident in the UK you will be liable to pay charges if you require NHS treatment whilst in the UK, whether related to your **Care** at **Spire** (for example if you require treatment that **Spire** does not agree to provide) or not.
28. By signing a **Registration Form** and agreeing to these **Terms** you confirm that you have leave to enter the UK and that you meet all relevant immigration criteria. information regarding your leave to enter or remain in the UK in connection with your **Care**.
