NHS e-Referral at Spire Nottingham Hospital

Spire Nottingham Hospital has been approved by the Department of Health to provide treatment to NHS patients. We aim to help reduce NHS waiting lists and provide first class care for all our patients. Patients will benefit from our state of the art facilities, low infection rates and an excellent standard of care from our clinical team.

Looking after you.

How to refer

All referrals must contain:

- If a patient is on blood thinning medication and the reason for this
- A recent HbA1c result if the patient is diabetic

GPs can refer a patient to Spire Nottingham Hospital through the NHS e-Referral system or provide their patients with a UBRN number for the e-Referral booking system on the Patient Choice website:

www.ebs.ncrs.nhs.uk

More information for patients can be found on the NHS Choices website.

Exclusions for Spire Nottingham Hospital:

- Patients under 18 years of age.
- Anyone who will require a planned admission to Intensive Care post-surgery.
- A patient with an incapacitating disease that is a constant threat to life .
- Patients requiring treatment for cancer who should be referred directly on to the cancer pathway.
- Patients with an unstable mental condition who are receiving psychiatric treatment.
