Looking after you.

Spire Healthcare is a leading independent hospital group in the United Kingdom and the largest in terms of revenue. We deliver high standards of care with integrity, compassion and high-quality facilities to our insured, self-pay and NHS patients. From our 39 hospitals, 11 clinics and 1 Specialist Cancer Care Centre across England, Wales and Scotland, we provide diagnostics, in-patient, day-case and out-patient care. We also own and operate sports medicine, physiotherapy and rehabilitation brand, Perform.

Working in partnership with over 3,800 experienced consultants, our hospitals delivered tailored, personalised care to more than 269,000 in-patients and day-case patients in 2017.

Spire Healthcare traces its roots back to the acquisition and rebranding of 25 Bupa hospitals in 2007. Since then, it has periodically added further hospitals and clinics, including 10 Classic hospitals in 2008, the acquisition of St Anthony's hospital in Greater London in May 2014 and the opening of two new hospitals in Manchester and Nottingham in 2017. Since its inception, the Group has made significant capital investments of more than £725 million in its estate, and continues to deliver excellent care with leading clinical outcomes and high levels of patient satisfaction.
