

Keeping patients up to date with news, events and trends shaping our hospital

Introductory edition

Hello and welcome to the introductory edition of Elland NEWS

Spire Elland Hospital together with Spire Dewsbury Clinic have been providing high levels of medical treatment and personal care since 1985. Our aim of this newsletter is to keep you up to date with the news, events and trends shaping our hospital. We aim to publish this on our website on a monthly basis so you're as up to date as can be.

We will be including sections on staff, consultant spotlights, information on upcoming patient events, consultant educational articles, awareness months, information on the launch of any new services or technologies and much more.

Our Private GP service is now over a year old

Get rapid access to an expert opinion when you need it. At Spire GP we provide quick and easy access to private GP services - when you need it.

There are a range of Spire GP appointment times available for adults, including same day, at Spire Elland Hospital.

For more information, visit Spire GP.

New consultants

You can expect outstanding patient care from our talented consultants and dedicated nursing team.

Throughout the year we welcome new consultants from different specialities to our team and we'll do a consultant spotlight to introduce them to you.

Take control of your health. Book to see a <u>specialist</u> today.

Spire Healthcare puts you in control of your health. That's why, at Spire Elland Hospital, you can get treatment when you need it. We are convenient for patients in Calderdale, Huddersfield, Kirklees, Dewsbury and Bradford.

Interest free finance 0% representative APR available

Dates for your diary

Keep an eye out for the upcoming calendar dates for our complimentary appointment evenings for patients. The appointments will be for a specific speciality and will be an opportunity for you to ask any questions you may have, and to discuss treatment or surgery options during a 15 minute informal consultation.

NEXT EVENT: Complimentary appointments for physiotherapy, Wednesday 9 January from 6pm.

Take control of your pain. Spire Elland Hospital offers a holistic approach to help you manage your pain, including: **acupuncture, clinical pilates, shockwave therapy,** or **personalised exercise programmes.**

Book a place to have an informal chat with one of our physiotherapists. For more information, please call **01422 324 069 or <u>click here</u> to view the events page.**

It's great to hear about your experiences

Many prospective patients find it helps to read about other people's experience, so if you are interested in writing a patient testimonial for us, please get in touch at **info@spireelland.com.** We look forward to hearing from you.
