

August 2019

Spire Cycle Challenge

Last month Spire Methley Park Hospital took part in the Spire Cycle Challenge which was Spire Healthcare's first National Fundraising event. The hospital was challenged to cycle / walk 1000km and raise £1000. Staff took part in various fundraising activities such as bake sales, tombola, a quiz, Krispy Kreme doughnuts and other fun activities. We are so pleased that the staff managed to smash the target of cycling / walking 1000km.

New Consultant

Mr Gnanamurthy Sivakumar

Consultant neurosurgeon
