Spire Elland Hospital has the best facilities and clinical staff in Calderdale, Huddersfield and Kirklees.

Mr David Ilsley, Colorectal General Surgeon at Spire Elland Hospital

About Spire Elland Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results. For us it's more than just treating patients, it's about looking after people.

It's our people that really set us apart

We know that you insist on the highest standards of care for the patients who put their trust in you, and you can be sure that our team will continue that care. For us it's more than just treating patients, it's about giving patients, their family and friends the most positive experience we possibly can in our hospital.

Our consultants

Every consultant working at Spire Elland is on the specialist register of the General Medical Council and has met our practising privileges criteria.

We know continuity of care is important. Once a patient has chosen his or her consultant, we will make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. For ultimate reassurance, we have a fully trained clinical team equipped to deal with medical emergencies 24 hours a day.

All the facilities you'd expect and more

- Our 35 private rooms are set in pleasant surroundings and all have satellite television, free wifi access and personal nurse call system.

In addition to our private rooms, we offer:

- Extended Recovery Unit (ERU)
- 10 consulting rooms
- Three operating theatres including one laminar flow system
- Two outpatient procedure rooms
- Multiple outpatient testing and treatment rooms
- On-site CSSD – decontamination and sterilisation department
- Pharmacy
- Quality assurance
- CQC registered

Emergency admissions

Call **01422 324 000** and ask for the nurse in charge. The hospital **does not** have an accident and emergency facility.

How to refer your patients

At Spire Elland we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained staff aim to consistently deliver excellent patient care. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Most self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **01422 324 069**.

- 1 Use Spire Connect to upload the referral letter. Call **01422 324 069** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **01422 324 020** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

NHS patients

Spire Elland provides a range of elective surgical services to NHS patients – full details of the services offered can be found on the NHS e-Referral system (<https://www.ebs.ncrs.nhs.uk>). Our aim is to make the referral process as quick and easy as possible.

Please use the NHS e-Referral system to refer your patients to us. We are no longer able to accept NHS referral letters from primary care by any other means (eg fax or email).

Referral letters

Referral letters for private patients can be:

- Submitted online at <https://spireconnect.spirehealthcare.com>
- Emailed with encryption to spire.elland@nhs.net
- Faxed to **0800 1388 804**

Why wait for treatment?

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **01422 324 069**

Email: **info@spireelland.com**

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Hernia repair
- Back pain treatment
- Weight loss surgery
- CT, MRI and ultrasound scans
- Cosmetic surgery
- Cataract surgery
- Endoscopy procedures

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

The hospital does not have an accident and emergency facility.

Primary care online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the primary care information and resources tab on our website.

Spire Connect registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The primary care information and resources area will also contain information from Spire Healthcare specifically for primary care professionals including news on our forthcoming primary care events.

Making a referral

To make a referral click on the 'Make an online referral' link and complete all relevant details. The referrals for each patient will need to come from the primary care professionals making the referral.

NHS referrals

You may refer patients to Spire Elland under the NHS e-Referral system. Visit <https://www.ebs.ncrs.nhs.uk> to refer your patients to us.

Imaging and other referral types

You can make referrals for radiological investigations by selecting 'Radiology' under the specialty list. To make a referral for physiotherapy, dietetics, psychotherapy etc, select one of these from under 'Allied Health Professionals' in the specialty list.

Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be 'exported' or 'saved as' to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the 'send referral' button at the bottom of the page to submit the referral.

For more information on Spire Connect, contact Reuben Davison on **07766 432 979** or at reuben.davison@spirehealthcare.com

Primary care education

We provide regular primary care education sessions and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are generally evening sessions to provide flexibility to you. They are held on-site at Spire Elland Hospital and Spire Dewsbury Clinic.

In addition we can bring consultants to your surgery for one of your practice or cluster education sessions. You can choose the topic and date and we'll bring a hamper lunch prepared by our on-site chefs. All healthcare professionals are welcome to attend.

How to find out about our events

Are your patients with medical insurance using it?

Approximately 10% of UK population have a private medical insurance policy – but not everyone uses it*. If everyone who was eligible got treated using their cover, just imagine the impact this would have on NHS waiting lists.

We always encourage patients to tell their GP if they have PMI. Why not ask them too?
