How to refer your patients

At Spire Southampton we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained staff aim to consistently deliver excellent patient care. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **023 8076 4314**.

- 1 Use Spire Connect to upload the referral letter. Call **023 8076 4314** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **023 8077 5544** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

NHS patients

Spire Southampton Hospital provides a range of elective surgical services to NHS patients – full details of the services offered can be found on the NHS e-Referral system (<https://www.ebs.ncrs.nhs.uk>). Our aim is to make the referral process as quick and easy as possible.

Please use the NHS e-Referral system to refer your patients to us. We are no longer able to accept referral letters from primary care by any other means (eg fax or email).

Referral letters

Referral letters for private patients can be:

- Faxed to **023 8070 1160**
- Submitted online at <https://spireconnect.spirehealthcare.com>
- Emailed with encryption to spire.southamptonprivatereferrals@nhs.net

Paying for yourself

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **023 8076 4314**
Email: southamptonappts@spirehealthcare.com

- Our fixed price packages* offer the following benefits:
- No waiting lists
 - Fast access to leading consultants
 - Treatment dates to suit the patient
 - Personalised support and care

- Typical treatments that can be self-funded:
- Knee, hip, or shoulder surgery
 - Varicose vein treatment
 - Hernia repair
 - Back pain treatment
 - Weight loss surgery
 - CT, MRI and ultrasound scans
 - Cosmetic surgery
 - Cataract surgery
 - Endoscopy procedures

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

The hospital does not have an accident and emergency facility.

GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are generally evening or half-day sessions to provide flexibility to you. They are held on-site at Spire Southampton Hospital or at a venue local to you.

In addition we can bring consultants to your surgery for one of your practice or cluster education sessions. You can choose the topic and date and we'll bring a hamper lunch prepared by our on-site chefs. GP registrars, practice nurses and any medical students are welcome too.

How to find out about our events

Search **'Spire Southampton GP Education'**
Call our Primary Care Team on **023 8077 5544**
Email us at **southamptonhospdoctors@spirehealthcare.com**

GP support

Spire Southampton's onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

Primary Care Team

Our Primary Care Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire Southampton Hospital.

The team can be contacted on:

Phone: **023 8077 5544**
Email: **southamptonhospdoctors@spirehealthcare.com**

Self-Pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

One-off private treatment at a fixed price*

- Available for in-patient and day-case procedures, subject to patient pre-assessment.
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment.
- Treatment of complications*

Patients can contact our dedicated team on:

Phone: **023 8076 4314**
Email: **southamptonappts@spirehealthcare.com**
