

Our self -funding price packages are tailored to your needs and may depend on the diagnostic tests recommended by your consultant

### Initial assessment packages:

**One-stop breast care clinic assessment is £350** (for 40 plus years)

- An initial consultation with a consultant breast surgeon (including taking of history and physical examination)
- A diagnostic mammogram investigation
- A same day follow up appointment with breast consultant

**One-stop breast care clinic assessment** (under 40 years) **is £475**

- An initial consultation with a consultant breast surgeon (including taking of history and physical examination)
- A diagnostic ultrasound investigation
- A same day follow up appointment with breast consultant

Depending on your results, further investigations may be required and your consultant may recommend changing to one of our double or triple assessment packages.

**Please note you will only ever be charged one of our initial assessment, double or triple assessment package prices, depending on your requirements.**

If your consultant recommends additional investigations you will be changed to one of our double or triple assessment packages

### Double and triple assessment packages:

**One-stop breast care clinic double assessment** (with mammogram and ultrasound) **is £550**

- An initial consultation with a consultant breast surgeon (including taking of history and physical examination)
- A diagnostic mammogram investigation
- A diagnostic ultrasound investigation
- A same day follow up appointment with breast consultant

**One-stop breast care clinic triple assessment** (with core biopsy or fine needle aspiration) **is £875**

- An initial consultation with a consultant breast surgeon (including taking of history and physical examination)
- A diagnostic mammogram investigation
- Ultrasound guided biopsy or fine needle aspiration (including pathology)\*
- Results of pathology not available on same day
- An additional follow up appointment with breast consultant to discuss pathology results

\*If pathology is not required package fee will be reduced to £600

\*Imaging may not always be available on the same day, please see our website for full terms and conditions
