We'd love to help you to help your patients

GP how to refer guide

Self Funding

Patient to contact Self-Pay Team at Spire Washington Hospital on 0191 418 8687 or email customer-service-washington@spirehealthcare.com.

This is an opportunity to find the soonest available appointment and if consultant requires a referral letter.

GP to send referral via Spire Connect if required. (always require a referral for paediatrics, psychology and psychiatry)

Patient attends appointment. GP is updated via letter from consultant when the patient is discharged.

Benefits:

- Flexible appointments are available within 48 hours

*Virtual appointments are available / face to face appointments where clinically appropriate to do so

- Dependent on availability of consultant

Insured

GP to send referral to Spire Washington Hospital by Spire Connect.

Patient to contact insurance company to ensure that they are allowed to see selected consultant and this is covered by their insurance policy.

Benefits:

- Flexible appointments are available within 48 hours*
- Virtual appointments are available / face to face appointments where clinically appropriate to do so
- Dependent on availability of consultant

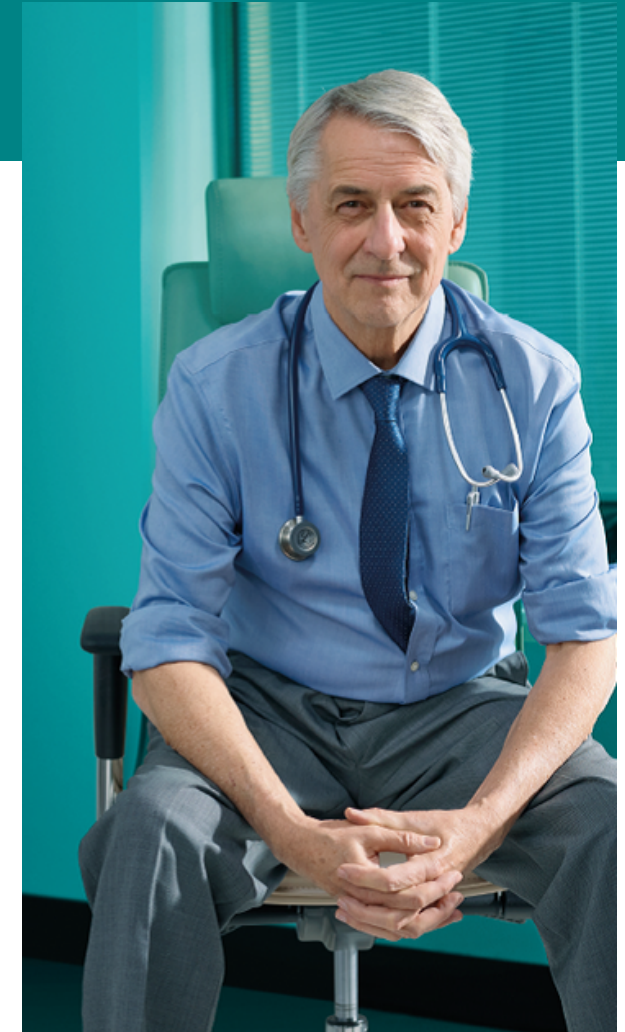

NHS

GP to book appointment via Choose and Book.

Please note: Spire Washington Hospital follows the RTT guidelines of 18 week target from referral appointment to treatment.

Please be aware we cannot accept:

- Any non surgical or diagnostic referrals
- A patient with an incapacitating disease that is a constant threat to life.
- A patient with a BMI over 40.
- Any services for people under the age of 18 years of age.
