How to refer patients

We welcome routine and urgent GP referrals to our NHS e-Referral Service clinics.

Patients may book an appointment using the e-Referral Service online system.

We adhere to the NHS guidance for the 18 week pathway for surgical procedures and the 6 week pathway for diagnostics.

The NHS e-Referral Service was previously known as Choose and Book as part of NHS Choices.

We provide high quality care in a clean and comfortable environment.

To find out more about the NHS services we offer call
