Spire Washington Hospital has some of the best facilities and clinical staff in the North East of England.

Mr Amir Bhatti, Consultant General Surgeon at Spire Washington Hospital

About Spire Washington Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results, in a safe and secure environment. For us it's more than just treating patients, it's about looking after people, and the safety of our patients and colleagues is our number one priority.

It's our people that really set us apart

We know that you insist on the highest standards of care for the patients who put their trust in you, and you can be sure that our team will continue that care. For us it's more than just treating patients, it's about giving patients, their family and friends the most positive experience we possibly can in our hospital.

Our consultants

Every consultant working at Spire Washington Hospital is on the specialist register of the General Medical Council and has met our practising privileges criteria. We know continuity of care is important. Once a patient has chosen his or her consultant, we will make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. For ultimate reassurance, we have a fully trained clinical team equipped to deal with medical emergencies 24 hours a day.

All the facilities you'd expect and more

- Our 32 private rooms are set in pleasant surroundings and all have satellite television, free wifi access and personal nurse call system

In addition to our private rooms, we offer:

- 10 consulting rooms
- Three operating theatres including two laminar flow operating theatres
- An endoscopy suite
- Two outpatient procedure rooms
- On-site CSSD – decontamination and sterilisation department
- Pharmacy
- CPA accredited pathology service
- CQC registered
- Screening of patients and colleagues for COVID-19 symptoms and extensive protection protocols, including our Patient Pathways system

Emergency admissions

The hospital **does not** have an accident and emergency facility.

How to refer your patients

At Spire Washington we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0191 418 8687**.

- 1 Use Spire Connect to upload the referral letter. Call **0191 418 8687** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0191 418 8636** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

Spire Washington Hospital provides a range of elective surgical services on behalf of the NHS. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system (<https://www.ebs.ncrs.nhs.uk/>).

Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com>

Fund your own treatment

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **0191 418 8687**

Email: **info@spirewashington.com**

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

The hospital does not have an accident and emergency facility.

GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are generally evening or half-day sessions to provide flexibility to you.

How to find out about our events

Search '**Spire Washington GP Education**'

Call our Primary Care Team on **0191 418 8687**

Email us at **richard.easterbrook@spirehealthcare.com**

GP support

Spire Washington's onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

Primary Care Team

Our Primary Care Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire Washington Hospital.

The team can be contacted on:

Phone: **0191 418 8687**

Email: **richard.easterbrook@spirehealthcare.com**

Self-pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

One-off private treatment at a fixed price*

- Available for in-patient and day-case procedures, subject to patient pre-assessment.
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment.
- Treatment of complications*

Patients can contact the team on:

Phone: **0191 418 8687**

Email: **info@spirewashington.com**

*Spire Healthcare patient terms and conditions apply.

Clinics and services

Endoscopy

Our endoscopy department received JAG reaccreditation in 2019 with a great deal of investment into equipment and staffing over the last two years.

Endoscopy services include:

- Bravo (PH monitoring)
- Bronchoscopy
- Colonoscopy
- ERCP-biliary, oesophageal and pancreatic stent insertion
- Gastroscopy

Appointments: **0191 418 8687**

General

At Spire Washington Hospital, we offer an extensive range of general surgery. Most of our general surgeons perform minimally-invasive laparoscopic or keyhole procedures, which can help reduce recovery time.

Areas covered by general surgery include:

- Bile ducts
- Colon
- Gallbladder
- Hernias
- Liver
- Oesophagus
- Pancreas
- Skin lesions
- Small bowel
- Stomach
- Varicose veins

Phone: **0191 418 8687**

Imaging

Our radiology department caters for not only familiar tools such as X-rays, but advanced equipment such as our MRI and CT scanners allow us to identify and monitor a variety of conditions.

Appointments usually within 24 hours of a referral. Reports usually within 48 hours.

CT imaging services include:

- Cardiac
- Colonography
- General and Musculoskeletal
- Interventional (biopsies, injections)
- Neurological imaging
- Vascular

MRI imaging services include:

- All MRI (including biliary and small bowel)
- Cardiac MR
- MPMRI (Multiparametric Prostate Imaging)
- Neurological imaging
- Whole body diffusion weighted imaging

Ultrasound imaging services include:

- General and Musculoskeletal
- Interventional including injections/aspirations and biopsies
- Vascular ultrasound (arterial and venous doppler)

Interventional procedures include:

- Fibroid embolisation and varicocele
- Peripheral artery angioplasty
- Prostate embolisation
- Sialography

Appointments: **0191 418 8629**

Struggling with aches and pains?

Come and meet our experts and see our great facilities. Perform Washington is a world-class rehabilitation, sports and exercise medicine and human performance centre.

What we treat

Physiotherapy can help to alleviate pain and swelling to help restore movement and function. It can also help to prevent injuries and help with rehabilitation to improve performance levels.

Conditions that may be suitable for physiotherapy treatment include:

- Back and neck pain
- Neurological problems
- Postural problems
- Rehabilitation programmes pre and post surgery
- Sports injuries
- Sprains and strains
- Tennis/golfer's elbow, achilles tendonitis, bursitis
- Upper and lower limb problems
- Whiplash

Perform Washington features:

- A fully-equipped rehabilitation gym
- AlterG – Anti-Gravity treadmill
- Exercise bikes
- Treatment / consultant rooms
