## Festive fundraising at Spire Elland Hospital

Throughout December Spire Elland Hospital are on a mission to raise funds for **Elland Food Bank**, because no one should go hungry this Christmas.

Our 'elfcare workers are hoping to raise a spectacular amount for the cause and we will continue to collect food, toiletries and other products to donate to the food bank up to 31<sup>st</sup> January 2022.

## A message from our Hospital Director

Dear All

As 2021 draws to a close I think it is important for us to take a moment to reflect on everything we have achieved as a team here in Elland throughout 2021. I think it is fair to say that 2021 has brought about many challenges and Covid has certainly continued to play its part in that and is likely to do so for the foreseeable. Despite the challenges we have delivered care to thousands of patients throughout the year and received some amazing patient feedback and comments along the way. Each and every member of staff has played a part in making a positive difference to our patients.

I wish you and your families all a very happy festive break and wish you a happy and healthy 2022

Best wishes  
Stacey Brunton  
Hospital Director
