NHS reviews and ratings

About Spire Dunedin Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained team aim to consistently achieve excellent results, in a safe and secure environment. For us it's more than just treating patients, it's about looking after people. The safety of our patients and colleagues is our number one priority.

It's our people that really set us apart

We maintain the highest standards of care for patients, who have built trust with all those they have encountered prior to an appointment at Spire Dunedin. For us it's more than just treating patients, it's about giving patients, their family, and friends, the most positive experience we possibly can.

Our consultants

Every consultant working at Spire Dunedin Hospital is on the specialist register of the General Medical Council and has met our practising privileges criteria. We know continuity of care is important. Once a patient has chosen his or her consultant, we will endeavour to make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. For ultimate reassurance, we have a fully trained clinical team equipped to deal with medical emergencies 24 hours a day.

All the facilities you'd expect and more

Our 16 private rooms all have en-suite bathroom, television, free wifi access and personal nurse call system. In addition we have 8 day care pods and 8 chemotherapy pods.

In addition to our private rooms, we offer:

- Two laminar flow operating theatres
- An endoscopy suite
- Two outpatient procedure rooms
- Multiple outpatient testing and treatment rooms
- Paediatric services for children from birth and surgery for young adults from 16 years old
- Breast care nurse
- Pharmacy
- Quality assurance
- UKAS accredited pathology service
- CQC registered
- Screening of patients and colleagues for COVID-19 symptoms and extensive protection protocols, including our Patient Pathways system

Emergency admissions

Call **0118 958 7676** and ask for the nurse in charge. The hospital **does not** have an accident and emergency facility.

How to refer your patients

At Spire Dunedin we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0118 955 3563**.

- 1 Use Spire Connect to upload the referral letter. Call **07842 306 856** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0118 955 3491** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

Spire Dunedin Hospital provides a range of elective surgical services on behalf of the NHS, including orthopaedic and general surgery. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system (<https://www.ebs.ncrs.nhs.uk/>).

Private referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com>
- Please include the patient's NHS number

Self-funding patients

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **0118 955 3563**

Email: **info@spiredunedin.com**

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cataract surgery
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

The hospital does not have an accident and emergency facility.

GP online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers. It's our people that really set us apart.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the GP information and resources tab on our website.

GP registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The GP information and resources area will also contain information from Spire Healthcare specifically for GPs including news on our forthcoming GP events.

Making a referral

To make a referral click on the 'Make an online referral' link and complete all relevant details. The referrals for each patient will need to come from the GP making the referral.

NHS referrals

You may refer patients to Spire Dunedin Hospital using the NHS e-Referral system. You can find full details of the services offered and make your referral via the NHS e-Referral system (<https://www.ebs.ncrs.nhs.uk>).

Imaging and other referral types

You can make referrals for radiological investigations by selecting 'Radiology' under the specialty list. To make a referral for physiotherapy, podiatry, dietetics, psychology etc, select one of these from under 'Allied Health Professionals' in the specialty list.

Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be 'exported' or 'saved as' to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the 'send referral' button at the bottom of the page to submit the referral.

For more information on Spire Connect, contact Lia Willis on

07842 3068 561 or at
lia.willis@spirehealthcare.com

GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are generally lunchtime or early evening, allowing for flexibility around the work day.

[How to find out about our events](#)

Search '**Spire Dunedin GP Education**'

Call our GP Liaison Officer on **07842 306 856**

Email us at lia.willis@spirehealthcare.com

GP support

Spire Dunedin's onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

Primary Care Team

Our GP Liaison Officer is responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire Dunedin Hospital.

[The team can be contacted on:](#)

Phone: **07842 306 856**

Email: lia.willis@spirehealthcare.com

Self-pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

[One-off private treatment at a fixed price*](#)

- Available for in-patient and day-case procedures, subject to patient pre-assessment
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment
- Treatment of complications*

[Patients can contact the team on:](#)

Phone: **0118 955 3563**

Email: info@spiredunedin.com

*Spire Healthcare patient terms and conditions apply.

- Interventional including injections/aspirations and biopsies
- Paediatrics
- Vascular ultrasound (arterial and venous doppler)

Interventional procedures include:

- Image guided drainages
- PICC line and Port-a-cath insertions
- Sialography

Mammography services include:

- Screening and symptomatic

As well as a general X-ray service.

Appointments: **0118 955 3415**

Email: spiredunedindiagnosticimaging@spirehealthcare.com

One-stop Lesion Clinic

At Spire Dunedin Hospital, we are able to offer a one-stop skin lesion removal clinic. Patients are able to have a consultation and subsequent procedure to remove a skin lesion, all in one visit.

Minor skin lesions include a range of conditions such as cysts, warts or skin tags.

A referral is not required.

If the consultant advises against removing the skin lesion the patient will not be charged and will be advised on further treatment options available at Spire Dunedin Hospital.

The cost to attend the one-stop skin lesion removal clinic is all-inclusive, dependent on the number and types of lesions.

This is a self-funded package.

Appointments: **0118 955 3563**

Pathology

UKAS accredited to ISO standards.

Opening times

Lab opening times are **8.00am – 5.00pm**

Blood test can only be carried out between **8.30am – 4.00pm**

There is no need to book an appointment for a blood test for patients over 16. A patient can present for a test anytime between **8.30am and 4.00pm** if they have a request form from a GP or a Consultant.

Pathology services include:

- Biochemistry
- Blood transfusion
- Cytology
- Endocrinology
- General Microbiology
- Genetics
- Haematology
- Histopathology
- Immunology
- Microbiology
- Molecular Pathology
- Mycology
- Tumour assays
- Virology

Are your patients with medical insurance using it?

Approximately 10% of UK population have a private medical insurance policy – but not everyone uses it*. If everyone who was eligible got treated using their cover, just imagine the impact this would have on NHS waiting lists.

We always encourage patients to tell their GP if they have PMI. Why not ask them too?

*Healthcare Cover UK Market Report (Fifteenth Edition), Laing Buisson

Focused quality care at Spire Dunedin Hospital

For over a century, Spire Dunedin has played a part in Reading's history as a first-class medical facility serving its community. We offer fast access to the region's leading consultants, providing patients with personalised treatments and aftercare.

A 10 minute taxi ride from Reading railway station, we provide medical care to patients across Berkshire, Oxfordshire, and throughout the Thames Valley.
