# How to refer your patients

At Spire Murrayfield Hospital, Wirral we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

### Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package\* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0151 929 5408**.

- 1 Use Spire Connect to upload the referral letter. Call **0151 929 5359** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

### Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0151 648 7000** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

### NHS referrals

Spire Murrayfield Hospital, Wirral provides a range of elective surgical services on behalf of the NHS, including General Surgery and Urology. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system.

**Referral letters**  
Referral letters can be submitted online at <https://spireconnect.spirehealthcare.com/>

# Self-funding patients

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:  
Phone: **0151 929 5408**  
Email: [info@spirewirral.com](mailto:info@spirewirral.com)

- Our fixed price packages\* offer the following benefits:
- No waiting lists
  - Fast access to leading consultants
  - Treatment dates to suit the patient
  - Personalised support and care

- Typical treatments that can be self-funded:
- Back pain treatment
  - Cataract surgery
  - Cosmetic surgery
  - CT, MRI and ultrasound scans
  - Endoscopy procedures
  - Hernia repair
  - Knee, hip, or shoulder surgery
  - Varicose vein treatment

\*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

## Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.  
**The hospital does not have an accident and emergency facility.**

## GP online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers. It’s our people that really set us apart.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the GP information and resources tab on our website.

### GP registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The GP information and resources area will also contain information from Spire Healthcare specifically for GPs including news on our forthcoming GP events.

### Making a referral

To make a referral click on the ‘Make an online referral’ link and complete all relevant details. The referrals for each patient will need to come from the GP making the referral.

### NHS referrals

You may refer patients to Spire Murrayfield Hospital, Wirral Hospital under the NHS choice regulations. To see what NHS services are provided and to make a referral, please use the NHS eReferral service.

### Imaging and other referral types

You can make referrals for radiological investigations by selecting ‘Radiology’ under the specialty list. To make a referral for physiotherapy, podiatry, dietetics, psychology etc, select one of these from under ‘Allied Health Professionals’ in the specialty list.

### Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be ‘exported’ or ‘saved as’ to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the ‘send referral’ button at the bottom of the page to submit the referral.

For more information on Spire Connect, contact Abbi Parry on **07706319539** or at **GPEnquiriesNW@spirehealthcare.com**

## GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are generally evening or half-day sessions to provide flexibility to you.

### How to find out about our events

Search ‘**Spire Anytown GP Education**’

Call our Primary Healthcare Relationship Manager on **07706319539**

Email us at **GPEnquiriesNW@spirehealthcare.com**

## GP support

Spire Murrayfield Hospital, Wirral’s onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

### Primary Healthcare Relationship Managers

Our Primary Healthcare Relationship Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire Murrayfield Hospital, Wirral Hospital.

The team can be contacted on:

Phone: **07706319539**

Email: **GPEnquiriesNW@spirehealthcare.com**

### Self-pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

### One-off private treatment at a fixed price\*

- Available for in-patient and day-case procedures, subject to patient pre-assessment
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment
- Treatment of complications\*

Patients can contact the team on:

Phone: **0151 929 5408**

Email: **info@spirewirral.com**

\*Spire Healthcare patient terms and conditions apply.

# Clinics and services

## Cardiology

At Spire Murrayfield Hospital, our cardiologists in The Wirral offer a service that’s second to none. Using the latest techniques and technologies, the team can identify any heart conditions through a selection of tests. Once they’ve discovered the cause of your symptoms they can recommend your best option for treatment, including routine procedures like pacemaker implantation’s and coronary angioplasties.

Non-invasive cardiology services include:

- Ambulatory heart rate monitoring (24hrs, 48hrs, 72hrs, 1wk, 2wk)
- Ambulatory blood pressure monitoring
- Exercise tolerance testing
- Implantable devices checks (internal loop recorders, pacemakers, defibrillators, and biventricular – both in clinic and remotely)
- Transthoracic echo, stress echo, contrast echo, bubble echo, CRT optimisation and 3D echo

Invasive cardiology services include (with transfer to Spire Manchester, Hospital):

- Cardiac catheterisation (angiogram, PTCA, FFR, IVUS, Rotablation, IABP)
- Electrophysiology (diagnostic and ablation procedures using RF ablation, cryotherapy, and 3D mapping)
- Implantable devices implants (internal loop recorders, pacemakers, defibrillators and biventricular devices)
- TAVI (Transcatheter Aortic Valve Implantation)

Appointments: **0151 648 7000**

## Endoscopy

Our patients are at the heart of what we do and we want you to be in control of your care. To us, that means you can choose the consultant you want to see, and when you want. They’ll be with you every step of the way. All of our consultants are of the highest calibre and benefit from working in our modern, well-equipped hospitals. Our consultants have high standards to meet, often holding specialist NHS posts and delivering expertise in complex sub-specialty surgeries. Many of our consultants have international reputations for their research in their specialised field.

Endoscopy services include:

- Bravo (PH monitoring)
- Bronchoscopy
- Colonoscopy
- Gastroscopy
- ERCP-biliary, oesophageal and pancreatic stent

Appointments: **0151 648 7000**

## Imaging

At Spire Murrayfield Hospital, Wirral we provide fast access to a wide range of diagnostic tests and scans. We use the latest technology and techniques wherever possible, including MRI, CT, X-ray and ultrasound, to get the best outcome for you.

Appointments usually within 24 hours of a referral. Reports usually within 48 hours. Spire Murrayfield Hospital, Wirral is also the first clinic on The Wirral to offer Cardiac MRI.

CT imaging services include:

- Cardiac
- Colonography
- General and Musculoskeletal
- Interventional (biopsies, injections)
- Neurological imaging
- Vascular

MRI imaging services include:

- All MRI (including biliary and small bowel)
- Cardiac MR
- MPMRI (Multiparametric Prostate Imaging)
- Neurological imaging
- Whole body diffusion weighted imaging

Ultrasound imaging services include:

- General & Musculoskeletal
- Interventional including injections/aspirations and biopsies
- Vascular ultrasound (arterial and venous doppler)

Interventional procedures include:

- Fibroid embolisation and varicocele
- Peripheral artery angioplasty
- Prostate embolisation

Appointments: **0151 648 7000**

# Clinics and services

## One-stop Breast Clinic

We have three Consultant Oncoplastic Breast Surgeons who operate clinics at Spire Wirral, Ms Anne Tansley, Mr Mysore Chandrashekar, Mrs Claudia Harding Mackean. All three consultant will see both insured patient and self-pay patient for the following concerns /symptoms

- Breast lumps
- Breast pain
- Changes to the shape, colour, texture or contour of the breast
- Condition involving the nipple: discharge, rashes, and inversion
- Lumps in the armpit
- Patient requesting second opinions having received a diagnosis elsewhere
- Patients who wish to have a breast health check as they don't feel able to self-examine confidently

If patients are self-pay all three consultants will see patients without a GP referral .The patient journey through the clinic is also known as triple assessment

### Triple assessment involves:

- Examination: a clinical examination is performed by the surgeon and a full clinical history will be taken from the patient to assess them and their current concern
- Imaging: will be performed to support the consultant's clinical examination This can be a mammogram or ultrasound and will be determined by the patients age at assessment. We are supported in clinic by a Consultant Breast Radiologist who will assess the mammogram and perform the ultrasound scan .
- Biopsy: If a biopsy is indicated from the scans most biopsies (Core biopsy) can be performed on the day . If a more specialist biopsy is need e.g. stereotactic biopsy or vacuum assisted this may need to be performed on another day as this need more planning and staffing. Results from biopsies are normally available within a week

Any patient who has a biopsy will be discussed at the Breast Service MDT. These meeting are held weekly. Present at these meeting will be the Consultant Surgeons, Consultant Radiologist. Consultant Pathologist, Breast Care Nurse and Consultant Oncologist and MDT Coordinator. Other specialists' members of our team such as Clinical Psychologist will attend dependent on the patient being discussed clinical needs.

When patients have a cancer diagnosis, they have access to the Breast Care Nurse throughout their journey. We support both them and their family / carers answering any fears or concerns We act as the patients' key workers liaising with all other specialties involved in their care including primary care to ensure a seamless journey

Appointments: **0151 648 7000**

## Physiotherapy

At Spire Murrayfield we have a team of highly skilled Physiotherapists that provide a wide range of services. The Physiotherapy department has excellent facilities with 5 private clinic rooms and a newly equipped large gym.

Self referrals are accepted for self pay patients. Private insurance referrals are also accepted

### Our services include

- Pre and post surgery rehabilitation
- Hand therapy.
- Women's health physiotherapy.
- Pilates
- Elderly / Falls rehabilitation and balance retraining.
- Extracorporeal shockwave therapy
- Acupuncture
- Strength and conditioning rehabilitation
- Sports massage
- Referral for imaging including ultrasound, Xray and MRI
- Mummy MOT
- Respiratory physiotherapy

Appointments: **0151 929 5262**

## Notes

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

I have been telling everyone that my visit for surgery was like a dream. I was very well looked after, it felt as if everyone knew who I was and that I also knew them. It was very personal and I had the best care before, during and after my laparoscopy. I really recommend this hospital.

April Krishnan – Spire Murrayfield Hospital, Wirral Gynaecology patient
