The facilities at Spire Liverpool are second to none. I love working here. The atmosphere is so supportive with the entire staff committed to each patient's treatment.

Mr Robert Jones, Consultant General Surgeon at Spire Liverpool Hospital

About Spire Liverpool Hospital

At Spire Healthcare we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently achieve excellent results, in a safe and secure environment. For us it's more than just treating patients, it's about looking after people, and the safety of our patients and colleagues is our number one priority.

It's our people that really set us apart

We know that you insist on the highest standards of care for the patients who put their trust in you, and you can be sure that our team will continue that care. For us it's more than just treating patients, it's about giving patients, their family and friends the most positive experience we possibly can in our hospital.

Our consultants

Every consultant working at Spire Liverpool Hospital is on the specialist register of the General Medical Council and has met our practising privileges criteria. We know continuity of care is important. Once a patient has chosen his or her consultant, we will make sure that he or she is looked after by the same consultant, from the first appointment and throughout all treatment and follow-up care.

Our nursing staff

All our nurses are highly qualified and dedicated to caring for patients in a professional manner. For ultimate reassurance, we have a fully trained clinical team equipped to deal with medical emergencies 24 hours a day.

All the facilities you'd expect and more

- Our private rooms are set in pleasant surroundings and all have satellite television, free wifi access and personal nurse call system. In addition to our private rooms, we offer:
- Three laminar flow operating theatres
- Outpatient procedure rooms
- Multiple outpatient testing and treatment rooms
- Paediatric services for children over the age of three
- Parent and child rooms
- Pharmacy
- Quality assurance
- CPA accredited

Emergency admissions

Call **0151 733 7123** and ask for the nurse in charge. The hospital **does not** have an accident and emergency facility.

How to refer your patients

At Spire Liverpool we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **0151 522 1881**.

- 1 Use Spire Connect to upload the referral letter. Call **0151 522 1881** if you have any queries.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **0151 733 8195** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

NHS referrals

Spire Liverpool Hospital provides a range of elective surgical services on behalf of the NHS. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system.

Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com/>
- Emailed with encryption to Spireliverpooloutpatientbookings@spirehealthcare.com

Self-pay patient information

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **0151 522 1881**

Email: liverpoolselfpaypsc@spirehealthcare.com

Our fixed price packages* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cataract surgery
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment

Finance payment options are available for patients who wish to spread the cost of their treatment.

*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

Urgent/unplanned admissions

If you have a specific consultant to refer to and you have their contact details, you can organise this with them directly. Alternatively, you can call us and ask for the 'nurse in charge' of the wards, who will take initial details of the patient and organise the consultant for you.

The hospital does not have an accident and emergency facility.

GP online referral guide

Spire Connect enables practice staff to log in and send secure, instant online referrals to Spire Healthcare hospitals for self-funding and PMI patients. The system is designed to be as simple and efficient as possible, while protecting all confidential information within secure servers. It's our people that really set us apart.

Visit <https://spireconnect.spirehealthcare.com> or click on Spire Connect from the GP information and resources tab on our website.

GP registration

When you access Spire Connect for the first time you will be required to register a few personal details to allow you access to the site and grant you permission to make referrals.

The GP information and resources area will also contain information from Spire Healthcare specifically for GPs including news on our forthcoming GP events.

Making a referral

To make a referral click on the 'Make an online referral' link and complete all relevant details. The referrals for each patient will need to come from the GP making the referral.

Imaging and other referral types

You can make referrals for radiological investigations by selecting 'Radiology' under the specialty list. To make a referral for physiotherapy, podiatry, dietetics, psychology etc, select one of these from under 'Allied Health Professionals' in the specialty list.

Attaching patient notes

It is possible to attach patient notes to the form, however the ease of this will depend on your own patient record software. Take a look at the options available in your software to see if records can be 'exported' or 'saved as' to your desktop. Then from there you can attach them to this form. You will need to save the notes in a common format such as a text or word document (.rtf, .pdf, .doc, .txt), a spreadsheet (.xls or .csv) or an image format (eg .bmp, .jpg). Then click the 'send referral' button at the bottom of the page to submit the referral.

For more information on Spire Connect, contact GPEnquiriesNW@spirehealthcare.com

GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants..

Our events are **free of charge** and are generally evening or half-day sessions to provide flexibility to you.

[How to find out about our events](#)

Search '**Spire Liverpool GP Education**'

Email our Primary Healthcare Relationship Managers at GPEnquiriesNW@spirehealthcare.com

GP support

Spire Liverpool's onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

Primary Healthcare Relationship Managers

Our Primary Healthcare Relationship Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire Liverpool Hospital.

The team can be contacted on:

Email: GPEnquiriesNW@spirehealthcare.com

Self-pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

One-off private treatment at a fixed price*

- Available for in-patient and day-case procedures, subject to patient pre-assessment
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment
- Treatment of complications*

Patients can contact the team on:

Phone: **0151 522 1881** Email: info@spireliverpool.com

*Spire Healthcare patient terms and conditions apply.

Clinics and services

Cardiology

We offer fast access to a wide range of procedures from tests and scans to help investigate and diagnose illness, to treatment and surgery for more complex heart-related conditions. Whether it is chest pain concerns, high cholesterol, palpitations or heart disease, our highly experienced, specialist cardiology teams are.

Non-invasive cardiology services include:

- Ambulatory heart rate monitoring (24hrs, 48hrs, 72hrs, 1wk, 2wk)
- Transthoracic echo, bubble echo

Appointments: **0151 733 7123**

Endoscopy

Our patients are at the heart of what we do and we want you to be in control of your care. To us, that means you can choose the consultant you want to see, and when you want. They'll be with you every step of the way.

All of our consultants are of the highest calibre and benefit from working in our modern, well-equipped hospitals.

Our consultants have high standards to meet, often holding specialist NHS posts and delivering expertise in complex sub-specialty surgeries. Many of our consultants have international reputations for their research in their specialised field.

Endoscopy services include:

- Bravo (PH monitoring)
- Bronchoscopy
- Colonoscopy
- Gastroscopy

Appointments: **0151 733 7123**

Imaging

At Spire Liverpool Hospital we provide fast access to a wide range of diagnostic tests and scans. We use the latest technology and techniques wherever possible, including MRI, CT, X-ray and ultrasound, to get the best outcome for you.

Are your patients with medical insurance using it?

Nearly 1 in 8 of the British population has a private medical insurance policy – but not everyone uses it*. If everyone who was eligible got treated using their cover, just imagine the impact this would have on NHS waiting lists.

We always encourage patients to tell their GP if they have PMI. Why not ask them too?

*Healthcare Cover UK Market Report (Fifteenth Edition), Laing Buisson
