If you're concerned you may have an STD...
...we'll check it out

Spire

Dunedin Hospital

If you're worried about whether you have contracted a sexually transmitted disease, then we can check you out.

You may also need to be screened if you are considering starting a family, have genital pain, are a frequent traveller or because you want to be sure you are free from infection prior to marriage. We can check you out too.

Led by Dr Alan Tang, an expert Genito-urinary medicine consultant, the Dunedin Sexual Health Service offers a range of STD screening packages priced from £140 to suit you. In addition, we make it easy for you – you can just walk into 22 Bath Road without an appointment but must bring this leaflet with you.

All tests are carried out by Spire Dunedin Pathology Service which is a CPA accredited laboratory service. Tests take approximately 7-10 days.

Stop worrying and let us check you out.

We're open from 8.30am until 5.00pm

For further information

Call **0118 955 3450** or e-mail **dunedincheck@spirehealthcare.com**

Your screening is completely confidential.
